By McGraw-Hill Education : The American Journey: Reconstruction to the Present (THE AMER JOURNEY RECON/PRESENT) The American Journey: Reconstruction to the Present (THE AMER JOURNEY RECON/PRESENT):

1 of 1 review helpful Great book By T Jensen My Nieces school should and I believe is ashamed of itself Their entire 6th grade social studies curriculum is photocopies from dozens of books and newsweek articles ranging from the past

20 years My niece couldn't read half of them and several of the maps were meant to be in colour but were photocopied black and white I got this book for her to help her out and amazingly About the Author McGraw Hill authors represent the leading experts in their fields and are dedicated to improving the lives careers and interests of readers worldwide
