By Simon Bailey, Roderick Skinner : Paediatric Haematology and Oncology (Oxford Specialist Handbooks in Paediatrics) Paediatric Haematology and Oncology (Oxford Specialist Handbooks in Paediatrics):

0 of 0 review helpful Great time product By AS The book arrived very quickly and in a great condition It was worth it to buy from them I ll buy from them every time I ll need it While survival rates for children with cancer have increased in recent times the increased use of more aggressive therapies has brought with it significant adverse effects Therefore the aim of pediatric oncologists has become to achieve cure at least cost by the appropriate reduction of the intensity and or duration of treatment in carefully identified good prognosis patients By comprehensively covering these issues this handbook aims to provide residents i About the Author Simon Bailey is a paediatric oncologist based in Newcastle upon Tyne with a special interest in brain tumours and leukaemia He did his initial medical training in Cape Town before specialising in paediatrics and paediatric oncology in Newcastl
