0 of 0 review helpful Five Stars By Gorgeous shoes I like it It is excellent review book 3 of 3 review helpful Five Stars By Numan Nice quick review of topics Please note this is for pathologists NOT clinical hematologists 2 of 2 review

helpful I highly recommend this book for any pathology resident trying to do By Hematology and Coagulation is a clear and easy to read presentation of core topics and detailed case studies that illustrate the application of hematopathology knowledge to everyday patient care In order to be successful as well as to pass the American Board of Pathology examination all pathology residents must have a good command of hematopathology including the challenging topics of hematology and coagulation Hematology and Coagulation meets this It would be of interest to any pathologist or laboratory medicine practitioner in practice wanting a quick review of the subject hellip a great book to review in preparation for the clinical pathology board exam Score 86 3 Stars Doody s
