By Bob Massie : A Song in the Night: A Memoir of Resilience german cornejo dance company a tango troupe from argentina is competing on americas got talent watch them perform to the flashdance song maniac paulette this is a masterpiece post thank you for writing it and taking the time to share it here i am a member of a memoir group and

plan to share this piece with A Song in the Night: A Memoir of Resilience:

1 of 1 review helpful Inspiring and moving account of a modern day miracle By Quinton Zondervan How is it possible that Bob Massie is still alive By his count he should have been dead three times over from hemophilia HIV or Hepatitis Yet he miraculously survived each one and today is running for governor of Massachusetts In this book he chronicles his miraculous life and in so doing inspires all of us to reach for wh In this inspiring memoir of faith and perseverance Bob Massie recounts how a childhood illness laid the foundation for a life filled with compassion and activism Bob Massie was born with classical hemophilia a painful disorder that caused repeated bleeding in his joints and slowly robbed him of the ability to walk Though bound to leg braces and wheelchairs as a child his curiosity and enthusiasm pulled him relentlessly outward toward knowledge and peop The cynics among us will be rankled at the description of a book as inspiring but Massie is the genuine article Although not yet an old man he has already led an unbelievably full life that defies summary in a brief review Without a trace of self aggran
