Approaches to Art Therapy:

0 of 0 review helpful Feminist appropriations in Art Therapy By Deborah Shaw This is a worthy book unfortunately edited by an unethical art therapist I am one of the women written about in this book As a Master student of Arts Therapy in Sydney last year I discovered my drawing on the front cover of the book and an entire chapter A Tasty Drop of Dragon s Blood of my course of therapeutic art which I took soon after one This book provides a comprehensive survey of women s issues within art therapy The contributors explore women s mental health the interaction between popular culture and the representation of women in psychiatric discourse the socio political dimensions of women s lives Case studies cover a selection of topics including assertiveness empowerment sexuality and childbirth as well as issues around class race and age Feminist Approaches to Art About the Author Susan Hogan is Senior Lecturer in Art Therapy at the University of Derby s Institute of Health and Community Studies
