By John M. Wright MD, Peter J. Millett MD MSc, Edward V. Craig MD : Review Questions in Orthopaedics
14th annual international pediatric orthopaedic symposium presented by posna and aaos november 28 december 2
2017 orlando fl donald s bae md in 1981 the apta house of delegates approved board certification in the area of
orthopaedics the first orthopaedics specialist certification examination was Review Questions in Orthopaedics:

7 of 8 review helpful Review questions in orthopaedics By Steven M Miller M D I think that this book would be more
useful if it were in CD format It would be a substantial time saver to be able to read the question click on the answer
and then immediately have the explanation shown below It is a great book but would be much easier to use as a CD 7
of 8 review helpful Excellent annot This review book provides 763 review questions following the National Board

format and parallels the table of contents in Dr Craig s Clinical Orthopaedics Each question provides thorough explanations for correct answers for further understanding of surgical and non surgical decision making
