By Angela Baeten PT, Michael L. Moran ScD PT, Lynn Phillippi MS PT : Documenting Physical Therapy: The Reviewer Perspective, 1e documenting physical therapy the reviewer perspective 1e; documenting physical therapy the reviewer perspective 1e by quot;physical therapy reviewerquot; documenting physical therapy the reviewer perspective 1e sep 16 questions and exam review for the national physical therapy Documenting Physical Therapy: The Reviewer Perspective, 1e:

Documenting Physical Therapy provides practitioners with the tools necessary to make documentation a successful and beneficial part of clinical practice Using the reviewer s perspective emphasis is placed on documenting components that are essential for coverage determinations Will not use not appropriate for focus of course Would be

more applicable to more advanced course after students have had some clinical exposure Elspeth Finch McMaster University writes It is not suitable for our program because of the focus on document
