By William J. Reagan, Armando R. Irizarry Rovira, Dennis B. DeNicola : Veterinary Hematology: Atlas of Common Domestic and Non-Domestic Species measurement of intact parathyroid hormone ipth ionized calcium ica 2 and 25 hydroxyvitamin d calcidiol can help discriminate between the various causes of background the addition of rituximab to combination chemotherapy with cyclophosphamide doxorubicin vincristine and prednisone Veterinary Hematology: Atlas of Common Domestic and Non-Domestic Species:

0 of 0 review helpful Life Saving Companion Book By Nicole Acosta I bought this book under recommendation of my professor for my Clinical Laboratory Procedures for the Veterinary Technician as a companion book It saved my life during the Hematology unit and even two months into the semester I m still using it for cell ID especially in the exotics sections If anyone has signed up for a class like this or if anyone is in The long awaited Second Edition of Veterinary Hematology Atlas of Common Domestic and Non Domestic Species serves as a major update to this essential introductory hematology atlas In addition to a thorough update of all chapters the new edition now includes coverage of laboratory animals and pocket pets two new chapters devoted entirely to avian and exotic animals and a PC compatible CD providing a wealth of additional hematological images Now fully u A well written and easily understood hematology reference that will be a useful addition to the library of veterinarians in both private practice and laboratory animal medicine An excellent resource Journal of the American Association for Laboratory
