Restorative Care Nursing for Older Adults: A Guide For All Care Settings, Second Edition (Springer Series on Geriatric Nursing):

2 of 2 review helpful Not What I Was Expecting By sandra Young Although this book offers wonderful information that supports the necessity and benefits that restorative care has for older adults in all care settings The examples provided are very limited in each area of restorative care This book would not increase the nursing assistants knowledge base in the specific area of restorative nursing care The book repeat Named a 2013 Doody s Essential Purchase This is a terrific text with good basic information and a level of detail tools and practicality that make it a useful resource to get older adults mobilized in any setting The Gerontologist This book provides a practical hands on perspective for implementing function focused care in all settings It is a unique resource that is relevant for all nurses and health care providers working with From the Back Cover Designated a Doody s Core Title and Essential Purchase This is a terrific text with good basic information and a level of detail tools and practicality that make it a useful resource to get older adults mobilized in any setting T
