**By DPT Eric Anthony Galvez : Reversal: When A Therapist Becomes A Patient** port manteaux churns out silly new words when you feed it an idea or two enter a word or two above and youll get back a bunch of portmanteaux created by jamming microsoft claims bing its search engine for people who have just unboxed a new computer and are trying to find out where to download chrome is bigger than you think Reversal: When A Therapist Becomes A Patient:

1 of 1 review helpful Amazing Perspective By amy litterini Eric is able to discuss a difficult topic with positive humor As a fellow PT I can say that his perspective on this situation is really unparalleled As an oncology PT I thank him for writing about his survivorship to inspire other patients As a faculty member in a PT program I can say that students should be reading this to gain an important perspective of 4 years of college 3 frac12 years of grad school A 5 minute phone call from a doctor changed everything Eric was finally done with school and had everything going for him Young people aren t supposed to get tumors but he did A golf ball sized brain tumor between the brain stem and the cerebellum Reversal When a Therapist Becomes a Patient is a compilation of journal and personal blog entries by a single young active male physical therapist that was diagnosed About the Author Dr Galvez is still recreating himself He is currently living in San Diego CA Through all the adversity he continues to challenge himself Please visit his website [www.ericgalvezdpt.com](http://www.ericgalvezdpt.com) for more details about the author
