**By Bernadette F. Rodak MS MLS, Jacqueline H. Carr MS CLSpH(NCA) CLDir(NCA) : Clinical Hematology Atlas, 4e** litfls critical care compendium ccc comprehensive collection concisely covering the core topics and controversies of emergency medicine and critical care clinical guidelines diagnosis and treatment manuals handbooks clinical textbooks treatment protocols etc Clinical Hematology Atlas, 4e:

0 of 0 review helpful Kindle edition photos are low resolution By Harlan Kanoa Sheppard To be clear my issue isn't with the text itself Rodak's Clinical Hematology Atlas is a good resource for reviewing the nuances required to differentiate cells on peripheral blood smears and marrow aspirates if you're that fortunate My problem here is with the quality of the images included in the digital text They're of rather low An excellent companion to Rodak's Hematology Clinical Principles Applications this atlas is ideal for helping you accurately identify cells at the

microscope It offers complete coverage of the basics of hematologic morphology including examination of the peripheral blood smear basic maturation of the blood cell lines and discussions of a variety of clinical disorders Over 400 photomicrographs schematic diagrams and electron micrographs visually clari
