By Barbara J. Bain, Barbara Wild, Adrian Stephens, Lorraine Phelan : Variant Haemoglobins: A Guide to Identification Variant Haemoglobins: A Guide to Identification:

Variant Haemoglobins ndash A Guide to Identification is based on the premise that any single diagnostic technique offers only a very provisional identification of a variant haemoglobin In routine diagnostic practice two techniques are needed as a minimum with the results being interpreted in the light of the clinical details blood count blood film and ethnic origin This book covers 150 normal and variant haemoglobins that have been studied and carefully doc
