By Clifford Smith, Alfred Jarecki : Atlas of Comparative Diagnostic and Experimental Hematology the nook book ebook of the atlas of comparative diagnostic and experimental hematology by clifford smith alfred atlas of comparative diagnostic and experimental hematology atlas of comparative diagnostic and experimental hematology the Atlas of Comparative Diagnostic and Experimental Hematology:

0 of 0 review helpful Not exactly what i was hoping for By Snarkie This book isnt terrible but i was looking for something more specific to the dog cat There is a chapter in the book 1 for cats and 1 for dogs But They aren t that long The pictures are good but nothing I dont already have The majority of the book is on other species I dont work with Each species has it s own chapter and each chapter has good pictures A vital resource on blood and bone marrow

cell morphology in laboratory animal medicine This fully revised new edition is an essential reference for clinical pathologists in diagnostic laboratories and medical or veterinary research The atlas contains over 400 color images of cells from the peripheral blood and bone marrow from a variety of animals encountered in laboratory animal medicine in health and disease Key features New chapter on flow cyto ldquo This book may not be useful for the typical veterinary student or practitioner but it is an excellent resource for those involved in preclinical studies on toxicosis rdquo nbsp Journal of The American Veterinary Medical Association 15 June
