By Mitchell Batavia PhD PT : Contraindications in Physical Rehabilitation: Doing No Harm, 1e

Contraindications in Physical Rehabilitation: Doing No Harm, 1e:

0 of 0 review helpful One Star By Cindysy Poor format on kindle difficult to read 1 of 2 review helpful concise but hard to read By Mary M Brewer A lot of info but not easy to read I was hoping for something more towards a layman s level This essential handbook provides clinicians with a summary of contraindications and precautions to review before treating patients seeking physical rehabilitation This detailed resource discusses all of the contraindications in one convenient source and includes the full range of interventions ranging from physical agents to supportive devices to therapeutic exercises Organized by ICD categories and referenced from multiple sources with strong coverage of adverse eve
