above or Standards for Blood Banks and Transfusion Services, 25th edition:

The 25th edition of Standards for Blood Banks and Transfusion Services details the latest standards of practice in blood banking and transfusion medicine. Recognized experts provide input on the new and revised requirements that go into effect May 1 2008. As in the past a quality management system is the framework of the standards with each of the 10 chapter headings representing one of the 10 quality system essentials. Significant changes Requirement
