Blood Banks and Transfusion Services, 28th edition:

The 28th edition of Standards for Blood Banks and Transfusion Services details the latest standards of practice in blood banking and transfusion medicine. As in the past, a quality management system is the framework of the standards with each of the 10 chapter headings representing one of the 10 Quality System Essentials. Significant changes: Required testing for *Trypanosoma cruzi* has been specified. A new standard concerning donor instructions for post
