By Joy Schaverien : The Revealing Image: Analytical Art Psychotherapy in Theory and Practice self criticism and self hatred may disguise anger about unmet expectations for ourselves and our lives theory jung's theory divides the psyche into three parts the first is the ego which jung identifies with the conscious mind The Revealing Image: Analytical Art Psychotherapy in Theory and Practice:

Schaverien painstakingly describes and defines processes which have so far only been intuitively known to art therapists p6 by introducing and elaborating the psychoanalytical concepts of transference and countertransference in relation to the use of visual art objects The authors stated intention in this book is to attempt to bridge the perceived gap between the practice of art therapy and analytical forms of psychotherapy p 229 The epistemological base of
