**From S. Karger : Continuous Arteriovenous Hemofiltration (CAVH): International Conference, Aachen, November 1984** Continuous Arteriovenous Hemofiltration (CAVH): International Conference, Aachen, November 1984:

This book is about continuous arteriovenous hemofiltration a form of continuous renal replacement therapy consisting of hemofiltration with arteriovenous access using small volume low resistance filters powered by the patient s arterial pressure without need for a mechanical pump used as an alternative to conventional hemodialysis
